About Matt

Matt Haverkamp was a graduate of Colerain High School. He went on to attain a degree in Criminal Justice from the University of Cincinnati. Matt became a police officer for the Golf Manor Police Department in 1999. He founded the department's bicycle patrol as well as their K9 unit. Matt found great fulfillment as their only K9 officer and worked very well with his partner Tibo. Matt was taken from us July 15, 2005 in a car accident. He will forever be remembered by the many people he touched in his short time with us.

About the Foundation

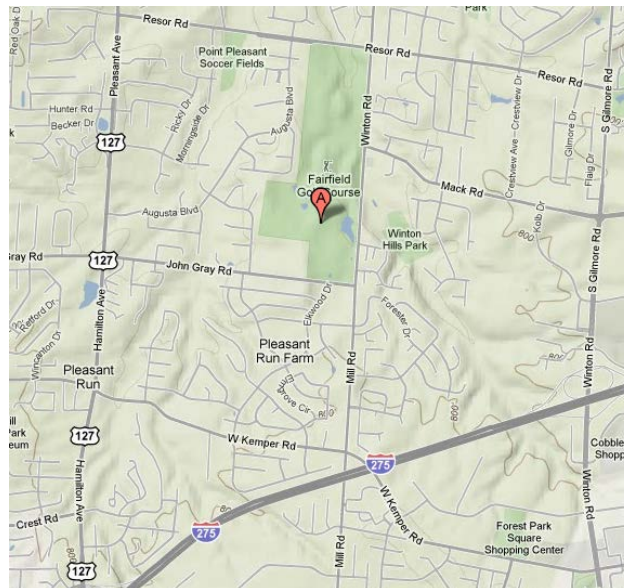

The Matt Haverkamp Foundation is a 501(c)(3) charity and was formed by family and friends as a way to keep Matt's memory alive and celebrate his life. The Foundation's purpose is to raise funds to benefit causes important to Matt. The Foundation will continue Matt's legacy by enhancing the safety of area communities. To date, the Foundation has purchased 40 dogs for local police departments and made other various contributions for the formation and support of K9 units. Donations to the Foundation are tax deductible under Section 170 of the Internal Revenue code.
